

## Checking Your Application Status

1. You can check the status of your application by logging back into the [eRecruit application system](#) (link) using the user name and password that you created during the registration process.
  - a. Due to the large volume of applications we receive, we are not able to provide individual feedback.
  - b. Please note that a number of factors can influence when your application status is updated. Some of these include when the announcement closes, the number of applications received for the particular announcement, number of interviews conducted, and scheduling. Hiring managers can take up to 120 days to make final selections. We appreciate your patience with these updates.
2. If you are selected for an interview, you will be contacted by NGA. It is important that you provide us with up-to-date contact information.
3. The following qualification and status definitions will help you understand your applicant status. You can also view this information on your applicant status page by scrolling down the page.
