NGA awards IT enterprise and cyber security contract

SPRINGFIELD, Va. —The National Geospatial-Intelligence Agency (NGA) recently awarded an information technology services contract to operate and maintain the NGA enterprise and cyber security environment. The contract was awarded to ManTech Advanced Systems International, Inc. of Fairfax, Va.

The contract includes a one-year \$65.6 million base period and four one-year option periods for a total period of performance of 5 years. The total value of the contract, including options, is \$322 million, and begins August 23.
