**K.3 52.209-5 Certification Regarding Responsibility Matters. (Apr 2010)**

(a)(1) The Offeror certifies, to the best of its knowledge and belief, that -

(i) The Offeror and/or any of its Principals -

(A) Are  are not  presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(B) Have  have not , within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State, or local) contract or subcontract; violation of Federal or State antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property (if offeror checks "have", the offeror shall also see 52.209-7, if included in this solicitation);

(C) Are  are not  presently indicted for, or otherwise criminally or civilly charged by a governmental entity with, commission of any of the offenses enumerated in paragraph (a)(1)(i)(B) of this provision; and

(D) Have , have not , within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds \$3,000 for which the liability remains unsatisfied.

(1) Federal taxes are considered delinquent if both of the following criteria apply:

(i) The tax liability is finally determined. The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(ii) The taxpayer is delinquent in making payment. A

taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(2) Examples.

(i) The taxpayer has received a statutory notice of deficiency, under I.R.C. Sec. 6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(ii) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. Sec. 6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(iii) The taxpayer has entered into an installment agreement pursuant to I.R.C. Sec. 6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(iv) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. 362 (the Bankruptcy Code).

(ii) The Offeror has [ ] has not [ ], within a three-year period preceding this offer, had one or more contracts terminated for default by any Federal agency.

(2) "Principal," for the purposes of this certification, means an officer, director, owner, partner, or a person having primary management or supervisory responsibilities within a business entity (e.g., general manager; plant manager; head of a division or business segment; and similar positions).

This Certification Concerns a Matter Within the Jurisdiction of an Agency of the United States and the Making of a False, Fictitious, or Fraudulent Certification May Render the Maker Subject to Prosecution Under Section 1001, Title 18, United States Code.

(b) The Offeror shall provide immediate written notice to the Contracting Officer if, at any time prior to contract award, the Offeror learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

(c) A certification that any of the items in paragraph (a) of this provision exists will not necessarily result in withholding of an award under this solicitation. However, the certification will be considered in connection with a determination of the Offeror's responsibility. Failure of the Offeror to furnish a certification or provide such additional information as requested by the Contracting Officer may render the Offeror nonresponsible.

(d) Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render, in good faith, the certification required by paragraph (a) of this provision. The knowledge and information of an Offeror is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

(e) The certification in paragraph (a) of this provision is a material representation of fact upon which reliance was placed when making award. If it is later determined that the Offeror knowingly rendered an erroneous certification, in addition to other remedies available to the Government, the Contracting Officer may terminate the contract resulting from this solicitation for default.

#### L.6 Mentor-Protégé Program Outline

- A. **Introduction:** The NGA Small Business Programs Office (SBPO) is soliciting for an **EXECUTIVE SUMMARY** from eligible and approved mentors, that are interested in participating in the Department of Defense (DoD) Mentor-Protégé Program. Approval is granted by the DoD SBPO. A copy of the DoD OSBP Mentor-Protégé program Approval Letter must accompany the Executive Summary in order to be determined acceptable. **EXECUTIVE SUMMARIES** found to be consistent with the intent of the solicitation will be requested to submit a technical and cost proposal. This solicitation will remain in effect until 30 September 2015 or when the DoD program ends, whichever comes first.
- B. **Objective:** The purpose of this DoD Mentor-Protégé Program is to provide incentives to major DoD contractors to assist protégé firms and increase their overall participation as prime contractors and/or subcontractors. This is accomplished through technical and developmental assistance from the mentor to the protégé. Approved mentor firms will enter into mentor-protégé agreements with eligible protégés. A complete description of the DoD program and eligibility requirements is provided in Appendix I of the Defense Federal Acquisition Regulation Supplement (DFARS). In addition, you can visit the NGA Small Business Programs Office Website at <https://www1.nga.mil/About/WorkingWithUs/Pages/SmallBusiness.aspx>.

NGA is focusing on Mentor-Protégé Agreements that are creative, unique, and provide a 50% technology transfer component in the technical areas listed below. **Proposed agreements consisting primarily of business infrastructure, management, and marketing assistance will not be considered for approval.**

<b>MAJOR TECHNICAL CATEGORIES</b>
Information Technology
Information Assurance/Information Security
GIS/Remote Sensing & Imagery Training
High End Systems & Hardware Development
GIS Support and etc.
<b>SPECIFIC TECHNICAL CATEGORIES</b>
GEOINT
Visualization
Tasking, Processing, Exploitation, and Dissemination of the Electromagnetic Spectrum
Persistent Surveillance
Compressing Timelines
Horizontal Integration
Forward Deployment of Technologies
Multi-INT Exploitation and etc.

- C. **Approach:** The Office of the Secretary of Defense (OSD) intends to fund the NGA Mentor-Protégé Programs issued by the Agency using Cost Reimbursable contracts (Cost Contract or Cost-Plus Fixed Fee (CPFF) contracts), hybrid contracts (credit and cost reimbursable) or Firm Fixed Price (FFP) throughout the Fiscal Year. The Firm Fixed Price as referenced in FAR Part 16 (Types of Contracts) shall not be applicable to NGA Mentor Protégé Agreements since this is a developmental and assistance program under DFARS Appendix I. Sections L and M of the RFP applies to all type of contracts as outlined in the appropriate areas. The period of performance cannot exceed three years from the date of the award unless approved by OSD/NGA. NGA will

negotiate the entire period of performance to include Base plus two (2) option years. The amount of individual awards will vary according to the complexity of the effort proposed and cannot exceed the regulatory yearly amount as set forth in DFARS, Appendix I.

**Note: FFP or CPFF contract types will only be considered on new Technology Development efforts. Technology transfer does not include: CMMI assistance, PMP certifications, CISSP certifications, or any service or product that can be purchased on the open market.**
