SPRINGFIELD, Virginia — The National Geospatial-Intelligence College is currently applying for reaffirmation of accreditation with the Commission of the Council on Occupational Education in 2019.

After completing an in-depth self-study outlining how the NGC incorporates the COE standards and criteria into its approach to education and training, the NGC COE Steering Committee will host a COE inspection team that will verify the findings of the NGC self-study report by inspecting the NGC campuses of learning in both NGA Campus East and NGA Campus West.

Any and all persons wishing to make comments should either write to the Executive Director of the Commission Council on Occupational Education, 7840 Roswell Road, Building 300, Suite 325, Atlanta, GA 30350, or submit their comments through the Council's website (www.council.org).
